I was planning to complete my cleanup review by 3:30. Is that a problem?

Thanks Alexis and Simma!

I had a quick conversation with Stephanie who suggested that we provide any suggested edits directly to the MOA document on their sharepoint site. I told her we would do our best to get those entered within the hour. Kelly – Will you take point on that please? In case additional discussion is needed and for whoever is available, I will send an invitation for 12:30pm (EPA only).

In addition to Alexis' edit below, are there any other edits or unresolved issues at this point?
